How do I enter the contest?

First, you MUST register for the contest, starting **Friday, June 7, 2024**. *Space is limited.*

You may register online at www.olathelibrary.org/events or call the library at 913-971-6874 or register in person at either Olathe library.

When you drop off your creation on the contest day, you will be given an Entry Form to complete. *If you did not register for the program ahead of time, you will not be allowed to enter the contest.*

This will be a popular program, so if you register for this event but later determine that you will not be able to attend, please call the library at 913-971-6874 to let us know as soon as possible so that we can allow someone else to take your spot.

What kind of creation should I make? Is there a theme?

Make whatever you want, as long as it is **no larger than 15 inches in length, width, or height** and is **your own creation**, NOT a kit, a set, or a design someone else made. Your creation will be measured when you arrive at the contest. There is no theme for the contest.

What materials may I use?

Use **LEGO®-brand bricks and pieces** (or compatible ones such as Mega Bloks). Specialized pieces from themed sets (LEGO® City, Star Wars, Creator, etc.) are allowed, but our judges also appreciate “basic” bricks used creatively!

You may use Technic, Hero Factory, and similar pieces, but we suggest using them sparingly. Please do NOT use Mindstorms/robotics motors or lights, or similar pieces; this is *not* a robotics competition.

We recommend (but do not require) using some kind of **base plate** under your creation to make it easier to transport. It can be a LEGO® base plate, a piece of cardboard, or something similar, as long as it is no larger than 15” in any direction.

Remember, you cannot simply build a design that came with a set—you must use the bricks in a new way in your own design. We can’t stress this enough!

May my parents, siblings or friends help me make my creation?

No, you must do the designing and building yourself. (But those helpful folks can help you transport your finished creation to the contest area since library staff cannot help you with that.)

May I build my creation at the contest?

No, your creation must be completely assembled when you arrive at the contest, or be in just a few large pieces that you can quickly put together.

Who are the judges?

The judging panel consists of members of the KC Brick Lab LEGO® User Group.

What are the prizes?

Each of the five age groups will have a 1st, 2nd, and 3rd place winner. Judges may also award Honorable Mention winners. In addition, members of the public who view the creations on contest day will have a chance to vote for Best of Show in the Children's, Teen, and Adult categories.

Prizes are as follows:

1st place - \$25 Amazon gift card

2nd place - \$15 Amazon gift card

3rd place - \$10 Amazon gift card

Honorable Mention – award

Best of Show – award

All entrants will receive a Certificate of Participation.

Do I have to be present at the Awards Ceremony to win a prize?

No. However, you *MUST* pick up your creation by 4:45 PM.

Questions?

Please double-check this paper to see if it answers your questions. If not, please contact the Children's Department at 913-971-6874.

Keys to success:

Be creative and original! Do your own work!
Stay within the size limits! Have fun!
